# BA<sup>3</sup> STRATEGIC INVESTMENT SICAV - Firmitudo Flexible Strategy A, EUR

A Sub-Fund of BA<sup>3</sup> STRATEGIC INVESTMENT SICAV, ISIN LU0522615623  
This Fund is managed by Adepa Asset Management S.A.

## Objectives and Investment Policy

The objective of this actively managed Sub-Fund is to offer to its shareholders an absolute positive return as high and as stable as possible, while using as a benchmark the Euribor 3M + 100 bps.

The Sub-Fund will achieve its investment policy by backing trends for growth and/or the volatility of the markets. This Sub-Fund invests primarily both in international bonds (convertible and non-convertible) and international equities, in treasury certificates, provided they are transferable securities issued in international markets, and in any other transferable securities officially listed for trading on an equities market, in money market instruments and options. In addition, the Sub-Fund may also invest up to 40% of its net assets in UCITS and /or UCIs of the open-ended type and diversified, following a risk diversification requirement as applicable to the Luxembourg's UCITS under part I of the 2010 Law.

The choice of UCITS and UCIs will follow the imperious risk repartition and will offer an optimal return through a dynamic asset allocation

adapted to the political, economic and financial environment.

The Sub-Fund is managed with reference to a benchmark, the Euribor 3 month + 1% to generate the performance fee. The benchmark is not used for investment purposes and the investment strategy of the Sub-Fund may deviate significantly from the index.

The Sub-Fund issues only accumulation shares (shares in which any income earned is added to the share price).

The Share Class's currency is EUR. The Sub-Fund's reference currency is EUR.

Designed for Investors who understand the Fund's risks and who have an investment horizon of at least 5 years.

This Fund is quoted weekly on Tuesdays.
