What is this product?

Type

The Sub-fund is part of BA³ STRATEGIC INVESTMENT SICAV fund. The Fund is an open-ended investment company with variable capital, incorporated in the Grand Duchy of Luxembourg as a "Société Anonyme". This Fund is authorised and supervised in Luxembourg by the CSSF.

Term

The investment horizon is medium term and should be at least 5 years.

Objectives

The Sub-Fund is actively managed. The objective of the Sub-Fund is to gain exposure to global equity and fixed income markets by mainly investing through UCITS including ETFs with focus on environmental, social and governance (ESG) factors with a best in class approach of the underlying investments. The financial product promotes environmental or social characteristics but does not have as its objective a sustainable investment.

Intended retail investor

Reserved for retail and institutional investors. This Sub-Fund is addressed to investors who intend to benefit from the global financial market trends with a medium level of volatility. The investment strategy corresponds for the investors with a medium investment risk profile.

What are the risks and what could I get in return?

What happens if Adepa Asset Management S.A. is unable to pay out?

The investments of the fund are held separately from the assets of Adepa Asset Management S.A. as fund management company and from the corresponding custodian bank. Thus, you will not lose your investment in the event of a possible insolvency of Adepa Asset Management S.A.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- Investment: 10,000 EUR.

| Costs over Time | If you exit after 1 year | If you exit after 5 years |
|------------------------|--------------------------|---------------------------|
| Total costs | 781.04 EUR | 2,983.13 EUR |
| Annual cost impact (*) | 7.81% | 4.59% |

This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 10.37 % before costs and 5.31 % after costs.

Composition of Costs

The table below shows the impact if you exit after 1 year.

| One-off costs upon entry or exit | | |
|---|--|------------|
| Entry costs | 3,00% of the amount you pay in when entering this investment | 300.00 EUR |
| Exit costs | 1,00% of your investment before it is paid out to you | 100.00 EUR |
| Ongoing costs (taken each year) | | |
| Management fees and other administrative or operating costs | 3,51% of the value of your investment per year | 350.87 EUR |
| Transaction costs | 0,25% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell | 24.73 EUR |
| Incidental costs taken under specific conditions | | |
| Performance fees | The actual amount will vary depending on how well your investment performs. The aggregated cost estimation above includes the average over the last 5 years | 0.00 EUR |

How long should I hold it and can I take money out early?

Recommended holding period: 5 years

This fund has no minimum holding period, but has been created for long term investment. You should therefore be prepared to remain invested with your investment for at least 5 years. However, you can return your investment on any bank business day in Luxembourg.
